 pursuant to Section 454 of the)
 Public Utilities Code authorizing)
 the establishment of increased fares)
 for transportation of passengers)
 between Fairfield and Vacaville,)
 California, and Travis Air Force)
 Base.)

Application No. 44513

ORDER MODIFYING DECISION NO. 64167

By Decision No. 64167, dated August 28, 1962, the applicant herein was authorized to increase individual one-way fares from 30 to 35 cents and to amend his tariff publications to reflect the change in rates.

By letter filed April 19, 1963, the applicant has advised that through an oversight the pages of California P.U.C. Tariffs Nos. 2 and 3 were not modified to reflect the authority granted and has requested that Decision No. 64167 be modified to permit publication and issuance of the necessary tariff changes in compliance with said order on or before May 31, 1963, on ten days' notice to the Commission and the public.

Good cause appearing,

IT IS ORDERED that:

1. Ordering Paragraph 3 of Decision No. 64167 is hereby amended to read as follows:

3. The authority granted herein shall expire unless exercised within two hundred seventy days after the effective date of this order.

2. Except as is otherwise provided herein, Decision No. 64167 shall continue in full force and effect.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 14th day of May, 1963.

George A. Grover
President
