SECOND SUPPLEMENTAL ORDER

Decision No. 63469, dated March 27, 1962, as modified by Decision No. 64848, dated January 29, 1963, authorized Garden Water Corporation to issue not to exceed \$28,000 of preferred stock on or before June 30, 1963, to finance the cost of water works facilities, the authority to become effective when the company should have filed a true copy of its amended Articles of Incorporation. The company reports that it has not completed its arrangements for the acquisition of the facilities, that accordingly it did not issue its stock prior to the specified expiration date, and that it intends to proceed with the issue at an early date.

IT IS ORDERED that:

1. Garden Water Corporation may issue the \$28,000 of preferred stock authorized by said Decision No. 63469, as modified, on or before December 31, 1963, for the purposes therein set forth, it being the opinion and finding of the

Commission that the money, property or labor to be procured or paid for by the issue of the stock herein authorized is reasonably required for the purposes specified herein, and that such purposes are not, in whole or in part, reasonably chargeable to operating expenses or to income.

2. This Second Supplemental Order shall become effective when Garden Water Corporation has filed with the Commission a true copy of its Articles of Incorporation amended as set forth in said Decision No. 63469.
