Decision No. 55798

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation into the rates, rules, regulations, charges, allowances and practices of all common carriers, highway carriers, and city carriers, relating to the transportation of property in the City and County of San Francisco, and the Counties of Alameda, Contra Costa, Lake, Marin, Mendocino, Monterey, Napa, San Benito, San Mateo, Santa Clara, Santa Cruz, Solano and Sonoma.

Case No. 5441
(Petition for Modification
No. 62)

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 65794 , entered today, the Commission exempted transportation performed by means of armored highway vehicles from the provisions of Minimum Rate Tariff No. 2 and four other minimum rate tariffs. That decision also found that, in order to avoid duplication of tariff distribution, each tariff should be amended by separate order.

IT IS ORDERED that:

1. City Carriers' Tariff No. 1-A (Appendix "A" of Decision No. 41363, as amended) is further amended by incorporating therein, to become effective September 21, 1963, Sixth Revised Page 12 and Seventeenth Revised Page 15, which pages are attached hereto and by this reference are made a part hereof.

2. In all other respects the aforesaid Decision No. 41363, as amended, shall remain in full force and effect.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 30th day of July, 1963.

William W. Bennett
President
