Application No. 45580  
Filed July 5, 1963

O R D E R

Philip R. Collins, Kenneth E. Brown and Allen D. Collins, doing business as C.B.C. Warehouse Company, a copartnership, have applied to the Commission for authorization to sell to Ray C. Tolson Rice Milling Co., a corporation, certain unimproved real property situate in the County of Yolo. The verified application shows that applicants are not now using said real property and that they do not consider such property necessary for the future growth of their operations.

The Commission has considered this matter and finds that a public hearing is not necessary, that the proposed sale will not be adverse to the public interest, and that the application should be granted.

IT IS ORDERED that Philip R. Collins, Kenneth E. Brown and Allen D. Collins hereby are authorized to sell to Ray C. Tolson Rice Milling Co., a corporation, the real property referred to in this application.

The authorization herein granted is not to be construed as a finding of the value of said real property.

This Order shall become effective on the date hereof.
