A collect on delivery shipment, hereinafter referred to as a C.O.D. shipment, means a shipment upon which the consignor has attached, as a condition of delivery, the collection of a specific sum or sums of moneys by the carrier making delivery thereon and the return of said moneys to the consignor or other payee designated by the consignor.</p> <p>2. No carrier shall handle C.O.D. shipments unless and until it has on file with the Commission a good and sufficient bond in such form as the Commission may deem proper, in a sum of not less than Two Thousand Dollars (\$2,000). The principal amount of the bond of any particular carrier may be increased from time to time where the Commission finds that the public interest so requires.</p> <p>3. The bond required by paragraph 2 hereof shall be filed by the carrier as principal and by a qualified surety insurer, authorized to do business in the State of California, as surety, payable to any person or persons to whom any amount may be due on any C.O.D. shipment transported by the carrier and not remitted to the person or persons to whom it is due within 10 days after delivery of any such C.O.D. shipment; that each bond filed pursuant to the foregoing shall specify the extent to which the carrier's operations are covered thereby; that such a bond may cover more than one operative authority held by the same carrier; that when a carrier with such a bond on file with the Commission obtains additional operative authority, said bond shall be revised or reissued to show whether or not the additional operative authority is covered thereby; and that the name of the carrier's surety company in any bond filed pursuant hereto will be made public by the Commission upon reasonable request therefor.</p> <p>4. The term of the bond shall include: that any person or persons to whom an amount may be due on any C.O.D. shipment transported by a carrier and not remitted within 10 days after delivery of said shipment may file a claim therefor with the surety; that upon the filing of the claim, the surety shall notify the Commission and the carrier in writing of such filing; that such notification to the Commission shall be addressed to the Public Utilities Commission of the State of California at its office in San Francisco; that suit against the surety shall be commenced within one year after date the shipment was tendered to the carrier; and that the surety waives any rights it may have under Section 2845 of the Civil Code of the State of California.</p> <p>5. The bond required herein may be canceled by the surety by written notice to the Public Utilities Commission of the State of California at its office in San Francisco, such cancellation to become effective thirty days after receipt of said notice by the Commission.</p> <p style="text-align: center;">(Continued in Item No. 181)</p>
