

ORIGINALDecision No. 65885

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of THE PACIFIC
TELEPHONE AND TELEGRAPH
COMPANY, a corporation, for
authority to sell certain
telephone facilities to
DELTA TELEPHONE AND
TELEGRAPH COMPANY.

Application No. 45594
Filed July 11, 1963

O R D E R

In this application, The Pacific Telephone and Telegraph Company seeks authorization to sell to Delta Telephone and Telegraph Company 2,500 ft. of telephone cable all situated within the service area of Delta Telephone and Telegraph Company. The agreed purchase price is \$3,332, plus applicable sales taxes, and the estimated net book cost of the facilities is \$3,705.

The Commission has considered this matter and finds that the proposed sale will not be adverse to the public interest and that the application should be granted. A public hearing is not necessary.

IT IS ORDERED that:

1. The Pacific Telephone and Telegraph Company may sell to Delta Telephone and Telegraph Company the toll facilities referred to in this application.

- 2. Within sixty days after acquiring said toll facilities, Delta Telephone and Telegraph Company shall file with the Commission a copy of each journal entry recorded on its books to reflect the purchase of said facilities and the distribution of the purchase price to primary accounts.
- 3. The authority herein granted shall become effective twenty days after the date hereof.

The authorization herein granted is for the purpose of this proceeding only and is not to be construed as a finding of value of the toll facilities referred to herein nor as indicative of amounts to be included in future proceedings for the purpose of determining just and reasonable rates.

Dated at San Francisco, California,
 this 20th day of August, 1963.
