Case No. 7561

AMENDATORY ORDER

The Commission issued Decision No. 65859, dated August 6, 1963, which ordered that all the operating rights of Trans-Arrow, Inc., shall be suspended for a period of ten consecutive days, unless the respondent pays a fine of \$3,500 to this Commission on or before the twentieth day after the effective date of the order. Ordering paragraph three of the decision inadvertently provides for posting a notice to the public of a five-day suspension.

Therefore, good cause appearing,

IT IS ORDERED that ordering paragraph 3 of Decision No. 65859, dated August 6, 1963, is amended as follows:

3. In the event the suspension as provided in paragraph 2 hereof becomes effective, respondent Trans-Arrow, Inc., shall post at its terminal and station facilities used for receiving property from the public for transportation, not less than five days prior to the beginning of the suspension

period, a notice to the public stating that its radial highway common carrier permit and highway contract carrier permit have been suspended by the Commission for a period of ten days. Within five days after such posting respondent shall file with the Commission a copy of such notice, together with an affidavit setting forth the date and place of posting thereof.

In all other respects, Decision No. 65859 shall remain in full force and effect.

The Secretary is directed to cause service by mail of a certified copy of this order to be made upon each respondent.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 3rd day of SEPTEMBER, 1963.
