 State of California.)

Application No. 45504

O R D E R

The County of San Bernardino is hereby authorized to construct Etiwanda Avenue and a parallel service road at separated grades over Southern Pacific Company's El Paso Route, near the City of Fontana, County of San Bernardino, at the location described and in the manner as shown in the application, to be identified as Crossing No. B-527.4-A.

Clearances shall be in accordance with the provisions of General Order No. 26-D, except that vertical clearances shall be not less than those prescribed in Decision No. 51251, in Application No. 36660, dated March 29, 1955.

The existing Etiwanda Avenue crossing at grade (Crossing No. B-527.4) shall be eliminated by the separation structures.

Construction and maintenance expenses shall be borne in accordance with terms of an agreement to be entered into between the County of San Bernardino and Southern Pacific Company, and a copy of said executed agreement, together with plans approved by the railroad, shall be filed with the Commission prior to commencement of

construction. Should the parties fail to agree, the Commission will apportion the costs of construction and maintenance by further order.

Within thirty days after completion, pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 10th day of SEPTEMBER, 1963.
