Decision No. _____

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of) SOUTHERN PACIFIC COMPANY for an order) authorizing the construction at grade) of a spur track across Regio Avenue) in the City of Buena Park, County of) Orange, State of California.)	Application No. 45753
--	-----------------------

O R D E R

Southern Pacific Company is hereby authorized to construct a spur track at grade across Regio Avenue in the City of Buena Park, Orange County, at the location described in the application, to be identified as portion of Crossing No. BK-503.9-C.

Applicant shall bear entire construction and maintenance expense.

Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, and of a width of 54 feet, with tops of rails flush with the roadway and with grades of approach not exceeding two percent in accordance with plan attached to application. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B), with reflex reflecting sheet material.

Within thirty days after completion, pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require.

Applicant declares that construction of industry's facility is expected to be completed and operations commenced on October 1, 1963, and that the industry to be served will require rail service as soon as possible; therefore it requests waiver of the twenty-day waiting period.

The effective date of this order shall therefore be the date hereof.

Dated at San Francisco, California, this 1st day of October, 1963.
