BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation into the rates, rules, regulations, charges, allowances and practices of all common carriers, highway carriers and city carriers relating to the transportation of any and all commodities between and within all points and places in the State of California (including, but not limited to, transportation for which rates are provided in Minimum Rate Tariff No. 2).

Case No. 5432
(Petition for Modification
No. 299)

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 66152, entered today in Case No. 5432, et al., the Commission found that the rates, rules and regulations set forth in certain minimum rate tariffs should be removed from application to the transportation of property performed under the rates, rules and regulations provided in Minimum Rate Tariff No. 15, and that in order to avoid duplication of tariff distribution such tariffs should be amended by separate orders. Accordingly, the order which follows will appropriately amend Minimum Rate Tariff No. 14.

IT IS ORDERED that:

1. Minimum Rate Tariff No. 14 (Appendix B to Decision No. 64520, as amended) is hereby further amended by incorporating therein, to become effective December 1, 1963, First Revised Page 5 attached hereto and by this reference made a part hereof.

2. In all other respects the aforesaid Decision No. 64580, as amended, shall remain in full force and effect.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 15th day of OCTOBER, 1963.
