Decision No. 66293

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of LESSER WATER COMPANY
to extend service to contiguous
territory; authority to issue
promissory note under Extension
Rules; Request for ex parte
proceeding.

Application No. 42597
(Amended)

FIRST SUPPLEMENTAL ORDER

In Decision No. 61072, dated November 15, 1960, in this proceeding, the Commission authorized Lesser Water Company to issue not to exceed 1,500 shares of its common stock within one year after said date. By Decision No. 63849, dated June 26, 1962, in Application No. 43900, the Commission, among other things, authorized said company to issue not to exceed 413 shares of its common stock, as additional shares to those previously authorized.

The company reports that it did not issue all of the 1,500 shares authorized by Decision No. 61072 prior to the expiration date of the authority granted for issuing them. It now requests an order granting the appropriate authority.

The Commission has considered this request and is of the opinion, and finds, that the money, property or labor to be procured or paid for by the issue of said 1,500 shares of stock is reasonably required for the purposes referred to

in said Decision No. 61072, which purposes are not, in whole or in part, reasonably chargeable to operating expenses or to income. On the basis of these findings, we conclude that the request should be granted. A public hearing is not necessary.

IT IS ORDERED that:

1. Lesser Water Company, on or before one year after the date hereof, may issue the not to exceed 1,500 shares of common stock authorized in Decision No. 61072, dated November 15, 1960, for the purposes referred to therein.

2. This First Supplemental Order shall become effective on the date hereof.

Dated at San Francisco, California, this 12th day
of NOVEMBER, 1963.
