Decision No. \_\_\_\_\_

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
THE ATCHISON, TOPEKA AND SANTA FE  
RAILWAY COMPANY, a corporation, for  
authority to abandon its non-agency  
station and to remove its stock  
pens, spur track and station sign  
at Ladino, County of Stanislaus,  
State of California.

Application No. 45797

O R D E R

The verified application of The Atchison, Topeka and Santa Fe Railway Company filed on September 23, 1963 discloses that no passenger or freight business has been transacted at applicant's station of Ladino, County of Stanislaus during the past several years and that continued maintenance thereof is not necessary.

Notice of the application has been given to various parties thought to be interested and no protests have been received. A public hearing does not appear to be necessary.

It is found that public convenience and necessity no longer require the maintenance of such service. The Atchison, Topeka and Santa Fe Railway Company is hereby authorized to abandon its non-agency station of Ladino, County of Stanislaus; to remove a spur track and station sign at said station; to eliminate said name from its station records; and to cancel all tariffs and time schedules applying at said station on not less than five days' notice to the Commission and the public. Such tariff changes shall quote this decision number as the requisite authority. This order shall not be construed as authorization to increase rates or charges.

Within thirty days after abandonment and removal of the facilities as authorized herein, applicant shall so notify the Commission in writing. This authorization shall expire if not exercised within one year, unless time be extended. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 19th day of NOVEMBER, 1963.
