Application No. 45592

O R D E R

The City of Santa Paula is hereby authorized to construct Cameron Street at grade across the Santa Paula Branch of the Southern Pacific Company at the location described in the application, to be identified as Crossing No. BE-413.2, in the City of Santa Paula, County of Ventura.

Applicant shall bear the entire construction expense, also maintenance cost outside of lines two feet outside of rails. The Southern Pacific Company shall bear maintenance cost between such lines.

Width of the crossing shall be 40 feet in accordance with plan attached to the application, and grades of approach not greater than six percent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by two Standard No. 8 flashing light signals (General Order No. 75-B).

Upon completion of Crossing No. BE-413.2, the existing crossing of Cameron Street (Crossing No. BE-413.3) shall be physically abandoned and closed.

Within thirty days after completion, pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if the above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 10th day of DECEMBER, 1963.
