for authority to establish new
tariffs, rates and rules.

Application No. 42499

SUPPLEMENTAL OPINION AND ORDER

W. Paul Payne, doing business as A. T. Smith Water Company at Keeler in Inyo County, was authorized to file the increased rates shown in Appendix B attached to Decision No. 61609 dated March 7, 1961, upon completion of certain improvements and upon supplemental order of this Commission. A subsequent decision modified the required improvements. By letter received October 29, 1963, applicant informed the Commission that the required improvements had been effected and requested authority to make the increased rates effective November 1, 1963.

The Commission finds that the improvements ordered in paragraph 5 of Decision No. 61609 and modified by ordering paragraph No. 1 of Decision No. 65960 have been effected and concludes that the Appendix B rates of Decision No. 61609 should become effective.

IT IS ORDERED that applicant may make effective the rates filed in Advice Letter No. 5, five days after the effective date of this order.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 17th
day of December, 1963.
