Decision No. \_\_\_\_\_

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of HERBERT CAMERON, an individual, for a certificate of public convenience and necessity authorizing the conduct of a transportation service for the transportation of passengers as a passenger stage corporation, and to operate vessels for the transportation of persons and accessorial services between points in this State in the inland waterways; both said services to be operated in the County of Los Angeles.

Application No. 43703  
Filed April 12, 1962

ORDER OF DISMISSAL

Upon the written statement of applicant that the development of the area to be served is so far behind schedule that engineering reports cannot be made until April or May, 1964, and that the Marina harbor will not be available for full use until the summer of 1965, and upon the written request of the County of Los Angeles, interested party, that this application be dismissed,

IT IS ORDERED that Application No. 43703 is hereby dismissed.

Dated at San Francisco, California, this 17 day of DECEMBER, 1963.
