the provisions of General Order 84-D )  
Regarding C.O.D. Bond )

Application No. 45948  
(Filed November 8, 1963)

OPINION AND ORDER

Applicant holds radial highway common carrier and city carrier permits. By this application, he seeks exemption from the provisions of General Order No. 84-D, under which carriers may not handle C.O.D. shipments until a bond of not less than \$2,000 has been provided and filed with the Commission. The sought exemption would apply only in connection with shipments transported for the shippers hereinafter designated. The application includes a waiver signed by the shippers authorizing applicant to make C.O.D. deliveries for them without bond.

The rules and requirements governing the transportation of C.O.D. shipments were established primarily for the protection of shippers. Since the bonding protection has been waived by the shippers involved in this application, the Commission finds that the sought exemption is justified. A public hearing is not necessary.

Attention is called to the fact that the exemption herein granted extends only to the shipments transported for the specified shippers. Should applicant desire to handle C.O.D. shipments for anyone else, all outstanding requirements must be met.

Because the conditions under which the C.O.D. service in question is performed may change, the exemption will be limited to a one-year period.

Good cause appearing,

IT IS ORDERED that Carduff Leiran, doing business as Leiran's Delivery, is hereby relieved from the requirements of ordering paragraphs 2, 3, 4, 5, 6 and 7(h) of General Order No. 84-D and the corresponding provisions as set forth in minimum rate tariffs of the Commission in the handling of C.O.D. shipments for Rathbun's Interiors, Andrews Interiors, Joseph White Interiors, Harmony Home Furnishers, Sky-Craft Upholstery, Hayden Upholstery & Furniture, Pat Tarver Upholstery, House of Savoy, Le Shel Interiors, Curt Wagner Furniture, Herbert White Interiors and Evelyn's Draperies. This authority shall expire January 6, 1965, unless sooner canceled, changed or extended by order of the Commission.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 17<sup>th</sup> day of December, 1963.
