OPINION AND ORDER

Alma Mae Marsh, doing business as Felix Marsh Transfer, holds radial highway common carrier, highway contract carrier, household goods carrier and city carrier permits. Decision No. 64759, dated January 8, 1963, in Application No. 45011, authorized her to assess rates and charges in cents per hour or per piece as named in Minimum Rate Tariff No. 4-A (used household goods), in lieu of the minimum rates otherwise applicable in Minimum Rate Tariff No. 2, in connection with transportation of property for the Pacific Telephone and Telegraph Company, Western Electric Company and Radio Corporation of America.<sup>1</sup> The current authority is scheduled to expire February 1, 1964. By this application she seeks renewal of this authority.

Applicant alleges that at all times since the granting of the previous authority applicant has performed service for the shippers all as alleged in the previous application and as set forth in Decision No. 64759, and all the conditions under which the services were performed have remained the same.

---

The authority was first granted by Decision No. 47215, dated June 5, 1952, in Case No. 4808, and has been extended and modified by subsequent decisions.

Applicant indicates that on or about January 2, 1964, a copy of the application was served on the California Trucking Association. No objection to its being granted has been received.

In the circumstances, it appears, and the Commission finds, that the proposed rates are reasonable for the transportation in question. A public hearing is not necessary. The application will be granted. However, because the conditions involved herein may change at any time, the authority will be made to expire at the end of one year. In view of the expiration date of the current authority, the order which follows will be made effective February 1, 1964.

Good cause appearing,

IT IS ORDERED that:

1. Alma Mae Marsh, doing business as Felix Marsh Transfer, is hereby authorized to quote and assess rates and charges in the units of measurement set forth in Items Nos. 330 and 340 of Minimum Rate Tariff No. 4-B and no lower than the rates and charges named in those items, in lieu of the minimum rates per 100 pounds specified in Minimum Rate Tariff No. 2, in connection with the transportation of property for The Pacific Telephone and Telegraph Company, Western Electric Company and Radio Corporation of America.

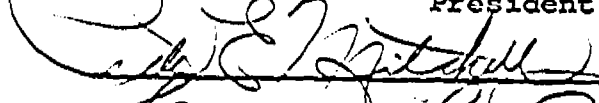

2. The authority herein granted supersedes the authority granted in Decision No. 64759 and, unless sooner canceled, changed or extended by order of the Commission, shall expire with February 1, 1965.

A. 46074 - ams

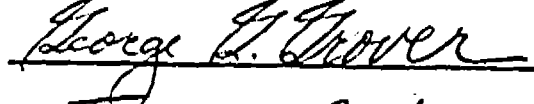

This order shall become effective February 1, 1964.

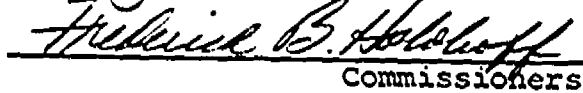

Dated at San Francisco, California, this 25th day of
