Decision No. 66732

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of ROSSMOOR WATER COMPANY, a corporation, for a Certificate of Public Convenience and Necessity authorizing Applicant to construct and operate a public utility water system in Orange County, California, and for the authority to issue stock and other securities.

Application No. 44672  
Petition for Modification

ORDER ON PETITION FOR MODIFICATION

By Decision No. 65273, dated April 23, 1963, in this proceeding, the Commission, among other things, authorized Rossmoor Water Company to issue certain stock and notes to Ross W. Cortese, who is the president of applicant and also of Rossmoor Corporation, the land developer in applicant's service area.

On January 6, 1964, applicant filed with the Commission its Petition for Modification seeking authority to issue said stock and notes to Rossmoor Corporation instead of to Ross W. Cortese.

The Commission has considered this Petition for Modification and finds that the issuance of said stock and notes to Rossmoor Corporation will not be adverse to the public interest. On the basis of this finding, we conclude that the Petition for Modification should be granted. A further public hearing is not necessary.

IT IS ORDERED that:

1. Ordering Paragraph 3.a. of Decision No. 65273, dated April 23, 1963, is hereby amended by substituting Rossmoor Corporation for Ross W. Cortese.

2. The effective date of this order is the date hereof.

Dated at San Francisco, California, this 4th day of February, 1964.
