Case No. 5432

(Petition for Modification No. 49)

SUPPLEMENTAL OPINION AND ORDER

Decision No. 50853, dated December 14, 1954, in Case No. 5432 (Petition for Modification No. 49) exempted H. H. Fritz from observing the rates, rules and regulations contained in Minimum Rate Tariff No. 2 in connection with the transportation of shipments of wholesale drug supplies, each weighing 75 pounds or less, between Sacramento and various points along U. S. Highway 99-W from Corning to and including Redding.

It has come to the Commission's attention that H. H. Fritz is deceased; and that his widow, Mildred H. Fritz, doing business as B-Line Express, is continuing to conduct the specialized transportation services formerly conducted by H. H. Fritz; and that she possesses the necessary permit from this Commission to operate as a highway contract carrier.

In the circumstances, it appears, and the Commission finds, that the continuation of the present exemption in the name of Mildred H. Fritz by the substitution of her name in place of H. H. Fritz is justified. A public hearing is not necessary.

IT IS ORDERED that:

1. Decision No. 52199, in Case No. 5432, as amended, is hereby further amended by substituting in the list of carriers in Appendix "C" thereof, the name of Mildred H. Fritz, doing business as B-Line Express, in the place and stead of H. H. Fritz for the transportation of shipments of wholesale drug supplies, each weighing 75 pounds or less, between Sacramento and various points along U. S. Highway 99-W from Corning to and including Redding.

2. The authority granted to H. H. Fritz by Decision No. 50853, dated December 14, 1954, in Case No. 5432 (Petition for Modification No. 49) is hereby amended by the authority granted herein.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 24th day of March, 1964.
