Application No. 41485

ORDER AUTHORIZING FURTHER
AMENDMENT OF PETITION

On January 16, 1964, petitioner filed its second appli-
cation for leave to amend petition requesting that the petition,
as previously amended, be further amended to make the description
of the lands, property and rights which petitioner intends to
acquire and which comprise the system, conform to proof as to the
identity of such system, lands, property and rights.

The Commission has considered said second application
for leave to amend and good cause appearing,

IT IS ORDERED that Monterey Peninsula Municipal Water
District is hereby authorized further to amend Application No.
41485, and said petition, as previously amended, is hereby further

amended in the manner and to the extent specified and requested
in said second application for leave to amend on file herein.

Dated at San Francisco, California, this 16th
day of MAY, 1964.
