convenience and necessity for the trans-)
portation of general commodities between)
various points in Los Angeles County,)
pursuant to Sections 851-853 of the)
California Public Utilities Code.)

ORDER VACATING ORDER OF
SUSPENSION OF OPERATIVE RIGHT

The highway common carrier certificate of public convenience and necessity of System Transport, a corporation, has been under suspension since July 4, 1962, for failure to have on file with the Commission the required freight classification. The suspension was effected by Decision No. 63810 dated June 12, 1962, in this proceeding.

On February 1, 1964, National Motor Freight Traffic Association, Inc., Agent, filed Supplement 4 to its National Motor Freight Classification A-7 (CAL) listing System Transport as a participant in said classification effective April 2, 1964. Inasmuch as the required classification is now on file, Decision No. 63810, supra, will be vacated.

IT IS ORDERED that Decision No. 63810 dated June 12, 1962, in Application No. 41678, is hereby vacated and set aside.

This order will become effective on the date hereof.

Dated at San Francisco, California, this 25th day of May, 1964.

William L. Bonds
