Case No. 7169

Roland S. Woodruff, for respondent.
Walter G. Linstedt, for the Com-
 mission staff.

O P I N I O N

This investigation related primarily to the accumulation or combination of separate lots of produce into larger lots for rating purposes in a manner not permissible under tariff provisions then applicable. These tariff provisions were subsequently revised "in order to meet the practicalities attendant upon the harvesting, transportation and marketing of fresh fruit and vegetables." (Decision No. 66586 dated January 7, 1964, in Case No. 5438, Petition for Modification No. 30 and Order Setting Hearing dated October 9, 1962.)

Upon consideration of the particular circumstances here present, the Commission concludes that this investigation should be discontinued.

O R D E R

IT IS ORDERED that Case No. 7169 is discontinued.

Dated at San Francisco, California, this 7th
