

Decision No. 67536**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
 THE WESTERN PACIFIC RAILROAD COMPANY  
 for authority to construct a spur  
 track at grade across 139th Avenue  
 in the City of San Leandro, County  
 of Alameda, State of California.

Application No. 46733

ORDER

The Western Pacific Railroad Company is hereby authorized to construct an additional spur track at grade across 139th Avenue in the City of San Leandro, Alameda County, at the location described in the application, to be identified as a portion of Crossing No. 4-16.18-C. Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without super-elevation and of a width to conform to the portion of the avenue now graded, with tops of rails flush with the roadway and with grades of approach not exceeding one percent. Protection shall be by:

1. Installation of two Standard No. 1 crossing signs (General Order No. 75-B) reflectorized with reflex-reflective sheet material.

2. Issuance of instructions to railroad personnel indicating the requirement that the movement of any railroad train, engine, motor or car shall be first brought to a stop before entering 139th Avenue and vehicular traffic shall be protected by a member of the train crew or other railroad personnel acting as flagman.

Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 14<sup>th</sup> day of July, 1964.
