SUPPLEMENTAL OPINION AND ORDER

Decision No. 67017, dated March 31, 1964, authorized applicant to consolidate its Sacramento and Rio Linda exchanges into one classified directory and to consolidate its Fair Oaks and Folsom exchanges into another classified directory. Paragraph 2 of the order required applicant to file the revised tariff sheets consistent with these consolidations within thirty days after the effective date of the order. The revised tariff sheets therefore should have been filed on or before May 20, 1964. This was predicated upon applicant's target date of June 8, 1964 for starting its sales campaign for subscribers served by the Sacramento directory.

Applicant did not file the revised tariff sheets within the prescribed time but, on July 1, 1964, filed a petition for modification of the earlier order so that additional time would be granted for such filing. Although no explanation was given for applicant's failure to meet the earlier date, it appears, and we so find, that a revision of the previous order to allow applicant additional time within which to file revised tariff sheets would not be adverse to the public interest.

IT IS ORDERED that the word "thirty" on the first line of ordering paragraph 2 of Decision No. 67017 is changed to "one hundred twenty".

In all other respects, Decision No. 67017 shall remain in full force and effect.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 21st day of JULY, 1964.
