Application No. 46500

ORDER OF MODIFICATION

By Decision No. 67517 dated July 14, 1964, Cascade Drayage and Warehousing, Inc. was authorized to extend service as a highway common carrier.

Applicant requests that the order be modified to provide for an effective date ten days after signature and the filing of tariffs not earlier than five days thereafter.

According to applicant there is an immediate need for the service and that a delay until September 3, 1964, would be contrary to the public interest.

Therefore, good cause appearing,

IT IS ORDERED that ordering paragraph 2(c) of Decision No. 67517 is hereby amended to read as follows:

2(c) The tariff filings shall be made effective not earlier than five days after the effective date of this order on not less than five days' notice to the Commission and the public, and the effective date of the tariff filings shall be concurrent with the establishment of the service herein authorized.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 28th day of JULY, 1964.
