

Decision No. 67832**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
Ventura Transfer Company, a corporation,  
of Long Beach, for a certificate to  
operate as a cement carrier (Application  
No. T-1,733, CMT-G), Los Angeles County,  
et al, (File No. T-1,733).

Application No. 46445

ORDER AMENDING RESOLUTION NO. 13821  
AND DENYING REHEARING

By ex parte Resolution No. 13821, Sub. No. 3, Ventura Transfer Company, dba Orr Tank Lines, was granted a "cement carrier" certificate authorizing it to operate to and within the Counties of Fresno, Los Angeles and Ventura. On June 27, 1964 the corporation requested that the cement authority be issued in the name of Ventura Transfer Company in order to distinguish it from the petroleum authority of the corporation. Applicant sought authority to operate in Madera County and this was not granted although proof of prior transportation had been furnished. Applicant has petitioned for rehearing. Good cause appearing,

IT IS ORDERED that Sub. No. 3 of page 1 of the attachment to Resolution No. 13821 is amended to read as follows:

"3. A-46445, T-1,733, VENTURA TRANSFER COMPANY,  
Fresno, Los Angeles, Ventura and Madera."

Rehearing of said resolution, as amended, is denied.

Dated at San Francisco, California, this 15<sup>th</sup>  
day of SEPTEMBER, 1964.
