ORDER DENYING AUTHORITY TO INTRODUCE
CERTAIN EVIDENCE ON REHEARING

On October 2, 1964, applicant filed a petition requesting authority to introduce certain evidence at the rehearing in this proceeding. The Commission has carefully considered this petition and each and every allegation therein contained.

The Commission finds that (1) the evidence proposed by applicant's petition relates to a subject which was not included in the grounds upon which applicant based its petition for rehearing, and, in addition, (2) no good cause has been shown for the granting of applicant's request.

IT IS ORDERED that applicant's petition herein, filed October 2, 1964, is denied.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this
