fornia over defined routes.)	

ORDER REVOKING OPERATIVE RIGHT

The certificate of public convenience and necessity of Will C. Freitas, individual, doing business as Freitas Livestock Transportation, has been suspended since June 26, 1963, for failure to maintain tariffs in effect. The certificate was further suspended on September 24, 1964, for failure to file an annual report of highway common carrier operations as required by Section 584 of the Public Utilities Code. Will C. Freitas has informed the Commission by letter that his business is such that a certificate is not required and requests that his certificate be revoked.

In the circumstances, it appears and the Commission finds, that the revocation of the certificate of public convenience and necessity as requested will not be adverse to the public interest. A public hearing is not necessary. The requested revocation will be granted.

IT IS ORDERED that the certificate of public convenience and necessity to operate as a highway common carrier granted to Will C. Freitas, individual, doing business as Freitas Livestock Transportation, by Decision No. 44837, dated September 26, 1950, in Application No. 31519, is hereby revoked.

The Secretary is directed to cause service of a certified copy of this order to be made upon Will C. Freitas or to mail a certified copy thereof to him at his last known address as shown in the Commission's records.

The effective date of this order shall be the thirtieth day after such service upon Will C. Freitas or after the above mailing to Will C. Freitas, as the case may be, unless before such effective date there shall have been filed with this Commission a written request for public hearing in which event the effective date of this order shall be stayed until further order of the Commission.

Dated at San Francisco, California, this 30th day of November, 1964.
