Application No. 46549

ORDER AMENDING CERTIFICATE AND RESCINDING
ORDER GRANTING REHEARING

Applicant was granted a "cement carrier" certificate by ex parte Resolution No. 13823, Sub. No. 40. A petition for reconsideration or rehearing was filed by applicant's attorney requesting amendment of the certificate to include the County of Riverside or in the alternative a hearing to enable applicant to present adequate proof of delivery to Riverside County as set forth in Public Utilities Code Section 1063. The application filed herein is accompanied by a bill of lading showing delivery of a load of cement by applicant to March Air Force Base at Riverside, California on February 12, 1963.

A petition for rehearing was filed by Max Binswanger Trucking, Matich Transportation Co., Daniel Lohnes Trucking Co, Valley Transportation Co, Phillips Trucking and More Truck Lines. Said petition was granted by Order Granting Rehearing dated September 15, 1964. These latter petitioners filed a document on January 13, 1965 wherein they request that the order granting rehearing of September 15, 1964 be revoked.

Therefore, good cause appearing,

IT IS ORDERED that:

1. Order Granting Rehearing dated September 15, 1964, in this proceeding, is hereby rescinded.

2. The "cement carrier" certificate granted to applicant by ex parte Resolution No. 13823, Sub. No. 40 is hereby amended to include the County of Riverside.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 9th day of February, 1965.
