the Southern Pacific Railroad (Coast)	Application No. 45960
Route) North of the Town of Camarillo)	
in the County of Ventura)	

O R D E R

County of Ventura is hereby authorized to construct Adolpho Road at grade across the main line of the Southern Pacific Company's Coast Line, at the location described in the application, to be identified as Crossing No. E-418.0, in the County of Ventura.

Applicant shall bear entire construction expense, also maintenance cost of the crossing outside of lines two feet outside of rails. The Southern Pacific Company shall bear maintenance cost of the crossing between such lines.

Width of the crossing shall be 64 feet and grades of approach not greater than three percent, in accordance with plans attached to the application. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by two Standard No. 8 flashing light signals (General Order No. 75-B), supplemented with automatic crossing gates.

Upon completion of Crossing No. E-418.0, the existing private crossing located at Mile Post No. 418.19 shall be physically abandoned and closed.

Within thirty days after completion, pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be

extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 16th day of FEBRUARY, 1965.
