BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Investigation on the Commission's own motion into the operations, practices, rates and charges of ROSSI TRANSPORTATION INC., a corporation.

Case No. 7710

ORDER DISCONTINUING CASE NO. 7710

Decision No. 66960, dated March 17, 1964, required the respondent herein to review its records and to collect all undercharges. The respondent collected \$2,851.90, which constitutes all undercharges with the exception of \$110.26, owing by an individual who is no longer in business and cannot be located.

The respondent has therefore satisfied the requirements of Decision No. 66960 and we conclude therefrom that Case No. 7710 should be discontinued.

IT IS ORDERED that the investigation on the Commission's own motion in Case No. 7710 is hereby discontinued.

The effective date of this order shall be the date hereof.

Dated at Los Angeles, California, this 27th day of MARCH, 1965.
