Decision No. 68869

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application
of APPLGATE DRAYAGE COMPANY, a
corporation, of Sacramento, for
a certificate to operate as a
cement carrier (Application No.
T-33,563, CMT-G), Alameda County,
et al., (File No. T-33,563).

Application No. 46348

SUPPLEMENTAL ORDER

By ex parte Resolution No. 13821, Sub. No. 77, Applegate Drayage Company was granted a "cement carrier" certificate to operate from all points of origin to and within various counties within the state. Although applicant requested authority to serve the County of Fresno said county was excluded from its certificate because the supporting document evidencing prior operation to Fresno County related to a split delivery shipment. By Decision No. 68007, dated October 13, 1964, in Application No. 46974, the Commission held that such evidence of prior operation complied with the grandfather requirements.

By its order dated October 27, 1964, the Commission granted rehearing in the instant proceeding as the result of a protest filed by James M. Soares, doing business as Sacramento Cement Transport. On February 25, 1965, Mr. Soares informed the Commission by letter that he wished to withdraw said protest.

Therefore good cause appearing,

IT IS ORDERED that:

1. The certificate to operate as a cement carrier granted to Applegate Drayage Company by Resolution No. 13821, Sub. No. 77, dated June 23, 1964, in Application No. 46348 is hereby amended by changing

the list of counties shown opposite shown opposite the name of said carrier on page 9 of the schedule attached to said resolution to read as follows:

"Alameda, Amador, Butte, Calaveras, Colusa, Contra Costa, Del Norte, El Dorado, Fresno, Glenn, Humboldt, Kern, Kings, Lake, Lassen, Madera, Marin, Mendocino, Merced, Modoc, Monterey, Napa, Nevada, Placer, Plumas, Sacramento, San Benito, San Francisco, San Joaquin, San Mateo, Santa Barbara, Santa Clara, Santa Cruz, Shasta, Siskiyou, Solano, Sonoma, Stanislaus, Sutter, Tehama, Tulare, Tuolumne, Yolo and Yuba."

2. Applicant shall amend its tariffs on file with the Commission to reflect the authority herein granted not earlier than ten days after the effective date hereof and on not less than ten days' notice to the Commission and to the public.

3. The order granting rehearing in the above matter is hereby set aside.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 13th day of APRIL, 1965.
