

Decision No. 68995**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application
 of Ronald L. Wade, an individual
 of San Fernando, dba Wade Trucking
 Co., for a certificate to operate
 as a cement carrier in Riverside,
 et al., counties, (File T-68,848).

Application No. 46975

OPINION AND ORDER

Applicant is a cement carrier. His certificate, created by ex parte Resolution No. 13825, Sub. No. 43, authorizes service to and within the Counties of Kern, Los Angeles, Orange, Riverside and Santa Barbara. He filed two petitions for rehearing. One seeks authority to serve San Bernardino County. The second requests rights to Ventura County, but as a subhauler only.

Three cement companies and six carriers were represented at a hearing before Examiner Power at Los Angeles on February 25, 1965. None of these protested applicant's requests. At the conclusion of this hearing the matter was submitted.

Wade was able to produce freight bills showing transportation to San Bernardino County as a prime carrier and into Ventura County as a subhauler during the "grandfather" period. Under the Commission's so-called "Shatto" decision,^{1/} Wade is entitled to unrestricted rights into Ventura County.

1/ Wm. H. Shatto, Inc., Decision No. 68397, dated December 22, 1964, in Application No. 46378.

IT IS ORDERED that:

1. A certificate of public convenience and necessity is hereby granted to Ronald L. Wade, an individual, doing business as Wade Trucking Co., authorizing him to operate as a cement carrier, as defined in Section 214.1 of the Public Utilities Code, from any and all points of origin to all points within the Counties of Kern, Los Angeles, Orange, Riverside, San Bernardino, Santa Barbara, and Ventura.

3.
