Application No. 47285

ORDER OF DISMISSAL

This application was filed on January 20, 1965 but did not comply with the Commission's rules of procedure. No action was taken by the Commission pending receipt of the necessary amendments to the application. On April 23, 1965 a letter was received from James R. Walton, attorney at law, requesting dismissal of the application due to the fact that R. O. Doms had died on March 13, 1965 and the incorporation of his business would not be completed. Attached to said letter was an application for dismissal signed by Mildred Doms and a certified copy of Letters Testamentary issued to Mildred Doms by the Superior Court of Fresno County dated April 2, 1965.

IT IS ORDERED that Application No. 47285 is hereby dismissed.

The effective date of this order shall be the date hereof.
