Application No. 37938

ORDER REVOKING WAREHOUSE OPERATIVE RIGHT

The certificate of public convenience and necessity of Robert J. Case, doing business as Slocum Van & Storage Co., has been suspended since October 20, 1961, for failure to maintain a tariff in effect.<sup>1</sup> The tariff of this warehouseman was canceled by his tariff publishing agent effective September 15, 1961, and he has not filed the required tariff since that date.

Robert J. Case having failed to have on file the required tariff, the Commission finds that such failure constitutes good cause for the revocation of the certificate.

IT IS ORDERED that the certificate of public convenience and necessity acquired by Robert J. Case by Decision No. 53306, dated June 26, 1956, in Application No. 37938, is hereby revoked.

---

<sup>1</sup> The certificate authorizes service as a public utility warehouseman at Van Nuys.

The Secretary is directed to cause service of a certified copy of this order to be made upon Robert J. Case or to mail a certified copy thereof to him at his last known address as shown in the Commission's records.

The effective date of this order shall be the thirtieth day after such service upon Robert J. Case or after the above mailing to Robert J. Case, as the case may be, unless before such effective date there shall have been filed with this Commission a written request for a public hearing, in which event the effective date of this order shall be stayed until further order of this Commission.

Dated at San Francisco, California, this 22nd day of June, 1965.
