issue its promissory note.)
_____)

Application No. 47771
Filed July 26, 1965

O P I N I O N

Vallecito Water Company is a California corporation engaged in the public utility water business in the vicinity of the Cities of La Puente and Industry, Los Angeles County. It seeks authority from this Commission to issue a 6% unsecured \$125,000 note in favor of Security First National Bank. The note will mature on August 15, 1966, will be repayable earlier upon demand, and will be issued for the purpose of paying and discharging a previously authorized note of like amount.

The Commission has considered this matter and finds that: (1) the proposed note issue is for a proper purpose; (2) the money, property or labor to be procured or paid for by the issue of the note herein authorized is reasonably required for the purpose specified herein; and (3) such purpose is not, in whole or in part, reasonably chargeable to operating expenses or to income. On the basis of these findings we conclude that the application should be granted. A public hearing is not necessary.

The authorization herein given is for the purpose of this proceeding only and is not to be construed as indicative of amounts to be included in proceedings for the determination of just and reasonable rates.

O R D E R

IT IS ORDERED that:

1. Vallecito Water Company, on or after the date hereof and on or before October 31, 1965, may issue a note in the principal amount of not to exceed \$125,000 for the purpose set forth in this proceeding, which note shall be in the same form, or in substantially the same form, as that attached to the application as Exhibit B.

2. Within thirty days after issuing the note herein authorized, Vallecito Water Company shall file with the Commission a copy thereof as actually issued.

3. The effective date of this order is the date hereof.

Dated at San Francisco, California, this 17th day of AUGUST, 1965.
