ORDER OF MODIFICATION

By Decision No. 68320, dated December 9, 1964, the Commission authorized Todd Freight Lines, Inc., to sell and lease its operating rights to Coast Drayage on or before July 1, 1965.

The applicants filed a petition on July 20, 1965, to advise that the matter is still pending before the Interstate Commerce Commission on the application to transfer the interstate operating authority of Todd Freight Lines, Inc., and to request that the time within which to transfer the rights be extended to January 3, 1966 so the decision of the Interstate Commerce Commission will be issued before it becomes necessary to transfer the California operating authority of Todd Freight Lines, Inc.

Therefore, good cause appearing,

IT IS ORDERED that ordering paragraph 3 of Decision No. 68320 is amended to read as follows: ✓

"2. On or before January 3, 1966, Todd Freight Lines, Inc. may sell and transfer, and Coast Drayage may purchase and acquire the operative rights and property referred to in the application."

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 17th day of AUGUST, 1965.
