} Application No. 47695

ORDER

The verified application of Southern Pacific Company filed on June 22, 1965 discloses that no passenger or freight business has been transacted at applicant's station of Edgewood in Siskiyou County during the past two years and that continued maintenance thereof is not necessary.

Notice of the application has been given to various parties thought to be interested and no protests have been received. A public hearing does not appear to be necessary.

It is found that public convenience and necessity no longer require the service in question. Southern Pacific Company is hereby authorized to abandon its non-agency station of Edgewood, County of Siskiyou: to eliminate said name from its station records; and to cancel all tariffs and time schedules applying at said station on not less than five days' notice to the Commission and the public. Such tariff changes shall quote this decision number as the requisite authority. This order shall not be construed as authorization to increase rates or charges.

Within thirty days after abandonment and removal of the facilities as authorized herein, applicant shall so notify the Commission in writing. This authorization shall expire if not exercised within one year, unless time be extended. The effective date of this order shall be twenty days after the date hereof.

Dated at Los Angeles, California, this 14th day of SEPTEMBER, 1965.
