Case No. 7946

SUPPLEMENTAL ORDER

Ordering paragraph 3 of Decision No. 68248, dated November 24, 1964, provided that after the filing of a request by defendant to increase rates and a finding by this Commission in a supplemental order that defendant has fulfilled the requirements of ordering paragraphs 1 and 2 of said decision, defendant will be authorized to file the schedules of increased rates set forth in Appendix A to that order.

Decision No. 69033, dated May 11, 1965, in Application No. 47361, authorized the transfer of the water system from Robert S. Hall to John L. Pierce. By letter received October 25, 1965, John L. Pierce, doing business as Mar Vista Water Company, advised that he has complied with ordering paragraphs 1 and 2 of Decision No. 68248, and requested that he be authorized to file the schedules of increased rates.

The Commission finds that John L. Pierce has fulfilled the requirements of ordering paragraphs 1 and 2 of Decision No. 68248, and concludes that he should be authorized to file the schedules of increased rates set forth in Appendix A to that order; therefore,

IT IS ORDERED that John L. Pierce, doing business as Mar Vista Water Company, is authorized to file with this Commission, after the effective date of this order and in conformity with General Order No. 96-A, the schedules of rates attached to Decision No. 68248 as Appendix A. Such rates shall become effective for service rendered on and after the fourth day following the date of such filing.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 16th day of NOVEMBER, 1965.
