O R D E R

The Southern Pacific Company is hereby authorized to construct a drill track at grade across Western Avenue in the City of Garden Grove, Orange County, at the location described in the application, to be identified as Crossing No. 6NC-26.89-C.

Applicant shall bear entire construction and maintenance expense.

Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width of 64 feet, with tops of rails flush with the roadway and with grades of approach not exceeding one percent in accordance with plan attached to the application. Protection shall be by two Standard No. 8 flashing light signals (General Order No. 75-B), supplemented by 12-foot cantilever arms with front and back lights. Trains shall not be operated over the crossing until such protection is placed in service.

Within thirty days after completion, pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless

time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require. Applicant alleges that the crossing is needed to provide immediate service to a warehouse.

The effective date of this order shall be the date hereof.
