No. 386)

SUPPLEMENTAL OPINION AND ORDER

Decision No. 69994 dated November 23, 1965, in the above proceeding provided for revision of certain commodity descriptions on canned goods and foodstuffs in Minimum Rate Tariff No. 2 in order that such descriptions would be related to items in the National Motor Freight Classification containing similar commodity descriptions. The decision also provided that the proposed changes should be adopted to be made effective not earlier than ninety days after the effective date of the order therein to afford opportunity to direct any inadvertent omissions to the attention of the Commission.

It has come to the Commission's attention that Mayonnaise was not included in the listing of Table Sauces in Minimum Rate Tariff No. 2. The necessary amendment of this listing will be made by the order herein.

IT IS ORDERED that:

1. Minimum Rate Tariff No. 2 (Appendix "D" of Decision No. 31606, as amended) is hereby further amended by incorporating therein, to become effective May 7, 1966, Forty-second Revised Page 7 and First Revised Page 37-AA attached hereto and by this reference made a part hereof.

2. Tariff publications authorized to be made by common carriers as a result of the order herein may be made effective not earlier than the tenth day after the effective date of this order and may be made effective on not less than ten days' notice to the Commission and to the public if filed not later than sixty days after the effective date of the minimum rate tariff pages incorporated in this order.

3. In all other respects, Decision No. 31606, as amended, shall remain in full force and effect.

This order shall become effective twenty days after the date hereof.
