Application No. 45049

ORDER REVOKING OPERATIVE AUTHORITY

By Decision No. 64902 dated February 5, 1963, in Application No. 45049, Cecil P. Arnold, doing business as Salinas Transit Company, was granted a passenger stage operative right authorizing service between points in the City of Salinas and surrounding area, and it appearing that during the month of January 1966, Cecil P. Arnold, without appropriate authority, discontinued the passenger stage service theretofore conducted by him between points in the City of Salinas and surrounding area pursuant to the foregoing described operative right, and that since March 17, 1966, Cecil P. Arnold has had no evidence on file with this Commission showing adequate protection against liability imposed by law for payment of damage for personal injury or property damage, as required by General Order No. 101-A, and that Cecil P. Arnold has stated that he discontinued service due to its economic infeasibility, and the fact that another operator has established a similar service within the corporate limits of Salinas which is being subsidized by the city; therefore,

IT IS ORDERED that the passenger stage operative rights, created by Decision No. 64902 in Application No. 45049, are hereby revoked and all effective tariffs and timetables on file with the Commission in the name of Cecil P. Arnold, doing business as Salinas Transit Company, are hereby canceled.

The Secretary is directed to cause service of a certified copy of this order to be made upon Cecil P. Arnold or to mail a certified copy thereof to Cecil P. Arnold, at 311 Cayuga Street, Salinas, California, last known address as shown in the Commission's records.

The effective date of this order shall be the twentieth day after such service upon Cecil P. Arnold or after the above mailing to Cecil P. Arnold, as the case may be, unless before such effective date there shall have been filed with this Commission written response to this order requesting public hearing in which event the effective date of this order shall be stayed until further order of the Commission.

Dated at San Francisco, California, this 5th day of APRIL, 1966.
