Decision No. 71001

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
SOUTHERN PACIFIC COMPANY for an order
authorizing construction at grade of
a drill track across Central Avenue,
in the City of Newark. County of
Alameda, State of California.

} Application No. 48565

O R D E R

Southern Pacific Company is hereby authorized to construct a drill track at grade across Central Avenue in the City of Newark, Alameda County, at the location described in the application, to be identified as a portion of Crossing No. L-31.1. Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the avenue now graded, with tops of rails flush with the roadway and with grades of approach not exceeding one percent. Protection shall be by the two existing Standard No. 8 crossing signals (General Order No. 75-B) which shall be augmented with automatic crossing gate arms. Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This

authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 19th day of JULY, 1966.
