Application No. 48369

O R D E R

State of California, Department of Public Works, in connection with the improvement of State Route 101 is hereby authorized to widen the existing "Goleta Overhead" over the tracks of the Southern Pacific Company's Coast Route (Crossing No. E-362.1-A) in Santa Barbara County at the location described and in the manner as shown in the application.

Clearances shall be in accordance with the provisions of General Order No. 26-D.

Construction and maintenance costs shall be borne in accordance with an agreement to be entered into between the parties and a copy of said executed agreement, together with plans approved by the railroad shall be filed with the Commission prior to commencement of construction. Should the parties fail to agree, the Commission will apportion the costs of construction and maintenance by further order.

Within thirty days after completion, pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within three years, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 2nd day of AUGUST, 1966.
