O P I N I O N

Greyhound Lines, Inc. requests authority to adopt relocated California Highway 71 between Ontario Avenue Junction in Corona and Temescal Canyon Road Junction, Riverside County, and to eliminate the tariff point of Temescal Gardens.

It is alleged that this segment of California Highway 71 has been relocated and will be open for public use on August 1, 1966; and that during the period April 17 through 23, 1966, 30 schedules operated through Temescal Gardens and only five passengers were served at this point.

After consideration the Commission finds that public convenience and necessity require the granting of the application. A public hearing is not necessary.

2. Appendix A of Decision No. 55893 as heretofore amended is hereby further amended by incorporating therein Third Revised Page 55, attached hereto, in revision of Second Revised Page 55.
