SUPPLEMENTAL OPINION AND ORDER

By Decision No. 71183, entered today in Case No.5432, et al., the Commission found that various minimum rate tariffs should be amended to reflect the adoption of National Motor Freight Classification A-9 and its California Supplement A-9 (CAL) in lieu of National Motor Freight Classification A-8 and its California Supplement A-8 (CAL). The decision also found that, in order to avoid duplication of tariff distribution, Minimum Rate Tariff No. 11-A should be amended by separate order.

IT IS ORDERED that:

1. Minimum Rate Tariff No. 11-A (Appendix A of Decision No. 50114, as amended) is further amended by incorporating therein, to become effective September 21, 1966, Seventh Revised Page 4 attached hereto and by this reference made a part hereof.

2. Tariff publications required to be made by common carriers as a result of the order herein may be made effective not earlier than September 21, 1966, on not less than one day's notice to the Commission and to the public and such tariff publications shall be made effective not later than October 15, 1966; and tariff publications

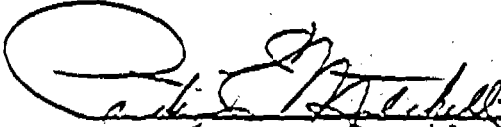

which are authorized but not required to be made by common carriers as a result of the order herein may be made effective not earlier than September 21, 1966, and may be made effective on not less than one day's notice to the Commission and to the public if filed not later than sixty days after the effective date of the minimum rate tariff page incorporated in this order.

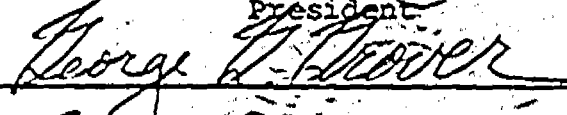

3. Common carriers, in establishing and maintaining the ratings and rules authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the ratings and rules published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

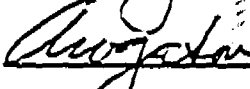

4. In all other respects, Decision No. 50114, as amended, shall remain in full force and effect.

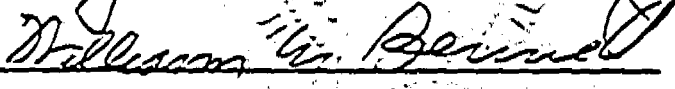

The effective date of this order shall be September 20, 1966.

Dated at San Francisco, California, this 23rd day of August, 1966.
