Case No. 7586

OPINION ON PETITION FOR REHEARING

## I

Decision No. 68272, dated November 25, 1964, in Application No. 46889, approved, subject to conditions, the sale of a portion of the water system of Dyke Water Company to the City of Garden Grove Water Corporation. That decision was modified by Decision No. 69075, dated May 18, 1965. Dyke Water Company has petitioned for a rehearing of Decision No. 69075.

The additional exhibits supplied in connection with the petition for rehearing have been reviewed, and the Commission staff has submitted a report thereon dated July 1, 1966. On the basis of that review and report we find that modification of certain provisions of Decision No. 69075, as provided in the following Order, is reasonable.

The modification with respect to William Gutosky (Tract No. 1543) and Robert Shannon (Tract No. 1594) is based on the company showing of claims against Gutosky and Shannon arising out of other transactions. Any required payment to the State of the amount owed by Dyke Water Company, without comparable action as to the amount which may be owed by Gutosky and Shannon, might have the effect of destroying the right of offset which the company may have under Section 440 of the Code of Civil Procedure. The Commission staff has been unable to locate either Gutosky or Shannon.

No good cause for rehearing of Decision No. 69075, as herein modified, has been made to appear, and rehearing will be denied.

## II

In Decision No. 69299, dated June 22, 1965, in Case No. 7586, the Commission approved the company's purchase, at a discount, of certain refund contracts; payment of the discounted purchase price from the Advances Trust earlier established in that case was authorized. Dyke Water Company contended that the Commission should also authorize payment from said trust of the difference between that discounted price and the amount which had been set aside in trust for ultimate payment of the contracts when due; the Commission staff, however, questioned the precise amount in the trust for these contracts, and the Commission denied that part of the company's request without prejudice to further consideration in connection with the petition for rehearing of Decision No. 69075 in Application No. 46889.

Further review of Commission records relating to the Construction Advances Trust established by Decision No. 68272 (as modified by Decision No. 69075) has confirmed that that trust includes funds to pay the Van Druff contracts involved in Decision No. 69299. Accordingly,

the sum of \$13,361.00 (which is the difference between the discounted price at which the company purchased these contracts and the amount included in the trust for their payment) should be disbursed to Dyke Water Company.

ORDER MODIFYING DECISIONS NOS. 68272 AND 69075  
AND DENYING REHEARING

Dyke Water Company having petitioned for rehearing of Decision No. 69075, the Commission having considered each and every allegation therein, and good cause appearing

IT IS ORDERED that:

1. Decisions Nos. 68272 and 69075 are hereby modified as follows:

A. Ordering paragraph 1(b) of Decision No. 69075, issued May 18, 1965, is hereby modified by striking therefrom any reference to: (1) a refund of \$4,641.00 payable to Bryant Kraak for Tract No. 1569, (2) a refund of \$3,475.70 payable to Wm. Gutosky for Tract No. 1543, and (3) a refund of \$2,455.00 payable to Robert Shannon for Tract No. 1594. The total sum of \$12,055.25 stated in said ordering paragraph is hereby modified, in recognition of the striking of the above amounts, to read "\$1,483.55". The fourth sentence of Paragraph 1.c. of the modified trust language authorized by said ordering paragraph (beginning with the words "In the event") is hereby modified to read as follows: "In the event Dyke shall fail to certify by November 1, 1966 the refunds due or past due as of said date, then the Trustee shall, in writing, immediately notify the Commission of said failure and shall immediately transfer the sum of \$1,483.55 from this trust to the trust created by that

certain Contributions Refund Trust Agreement executed January 28, 1965, to be held therein pending further order of the Commission."

B. If the trust modification authorized in the preceding Paragraph A hereof is made, Farmers & Merchants Trust Company of Long Beach is hereby authorized to pay to Dyke Water Company, out of the principal trust in this matter, the amount of \$10,571.70.

C. Paragraph 4.c. of the Order in Decision No. 68272 and Paragraph 4 of the Order in Decision No. 69075 are vacated and the following is substituted therefor:

"Dyke Water Company and Farmers & Merchants Trust Company of Long Beach are hereby directed to disburse the funds in that certain Contributions Refund Trust Agreement, for the amount of \$39,946.77, executed January 28, 1965, as follows: There shall be paid to each designee listed in Appendix A, attached hereto and by this reference made a part hereof, the sum of money set forth opposite the name of each such designee, except where such sum is followed by the symbol (R), to a total of \$33,807.27; provided that any of said \$33,807.27 which cannot be so paid shall be disbursed in accordance with Title 10 of Part 3 of the Code of Civil Procedure, and provided further that no part of said \$33,807.27 shall be paid or awarded to Dyke Water Company."

D. From the trust created by said Contributions Refund Trust Agreement, payment may be made to Dyke Water Company of the sum of \$6,139.50, being the difference between the \$33,807.27 referred to in the preceding paragraph and the \$39,946.77 referred to in Paragraph 4.c. of the Order in Decision No. 68272. Within 30 days after the effective date of this decision, Dyke Water Company and Farmers & Merchants Trust Company of Long Beach shall each report in writing to the Commission the extent of compliance with Paragraph 1.C. of this Order. Paragraphs C and D hereof do not authorize any payment from the Construction Advances Trust.

E. Statements in the Opinion in Decision No. 69075 which are inconsistent with the foregoing paragraphs of this Order are hereby modified accordingly.

2. Rehearing of Decision No. 69075, as hereinabove modified, is denied.

3. By reason of the purchase of the contracts referred to in Decision No. 69299, dated June 22, 1965, in Case No. 7586, Farmers & Merchants Trust Company of Long Beach may pay to Dyke Water Company, from the Construction Advances Trust, the sum of \$13,361.00.

4. All payments to Dyke Water Company authorized herein shall be made to Arlyne Lansdale, Agent for Dyke Water Company, c/o Lally & Martin, Attorneys at Law, Suite 1116, 926 Jay Building, Sacramento, California.

The effective date of this Order shall be 20 days after the date hereof.

Dated at San Francisco, California, this 30th day of AUGUST, 1966.
