(Filed April 5, 1966)

George A. Bunch, in propria persona.

O P I N I O N

George A. Bunch and Ellen B. Bunch filed this application for a household goods carrier, statewide, subcontracting permit. George A. Bunch was given two examinations, as required by Section 5135 of the Public Utilities Code. He failed to pass.

As required by Section 5135 a public hearing was held at San Francisco before Examiner Power on August 9, 1966, and the matter was submitted.

It appears, and the Commission finds, that applicant does not meet the requirement for issuance of the permit he requests.

The Commission concludes that the application should be denied.

IT IS ORDERED that application No. 48571 be, and it is, denied.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 18th day of OCTOBER, 1966.
