

Decision No. 71456

**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of SIERRA DISTRIBUTING, LTD. seeking elimination of Soap and Peanut Butter (Peanut Paste) from its common carrier certificate.

Application No. 48784  
(Filed September 13, 1966)

O P I N I O N

Sierra Distributing, Ltd., presently engaged in the transportation of property as a highway common carrier, requests that its certificate be amended by deleting therefrom authority to transport Peanut Butter (Peanut Paste) and Soap between Sacramento, on the one hand, and San Francisco, San Jose, Alameda, Oakland, Pittsburg, Stockton and Perkins, on the other hand.

It is alleged that applicant is also engaged in the transportation of property as a permitted carrier; for a number of years it has transported soap and related products, as well as peanut butter, from the Sacramento plant of Procter and Gamble Company to the aforementioned points as a contract carrier; and it is desired by all parties to continue the contractual arrangement.

After consideration the Commission finds that the requested authority would not be adverse to the public interest. A public hearing is not necessary.

O R D E R

IT IS ORDERED that:

1. Appendix A of Decision No. 59499, dated January 12, 1960, in Application No. 41434, is amended by incorporating therein First Revised Page 1, attached hereto and by this reference made a part hereof, in place of Original Page 1.

2. Within one hundred twenty days after the effective date hereof, and on not less than ten days' notice to the Commission and the public, applicant shall amend its tariff presently on file with the Commission to reflect the authority herein granted.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 25<sup>th</sup> day of OCTOBER, 1966.
