O P I N I O N

L P G Transportation Corp. requests authority to sell and transfer and L. M. Pepper, doing business as PEP's Kerosene Service, requests authority to purchase and acquire a certificate of public convenience and necessity authorizing the transportation of petroleum products as an irregular route carrier.

Applicant seller acquired the operating authority by Decision No. 53011 dated May 1, 1956 in Application No. 37836. The agreed cash consideration is \$1,500. Applicant buyer is presently engaged in the transportation of petroleum products as a contract carrier. As of July 31, 1966, he indicated a net worth in the amount of \$87,259.

After consideration the Commission finds that the proposed transfer would not be adverse to the public interest. A public hearing is not necessary.

The authorization herein granted shall not be construed as a finding of the value of the rights and properties herein authorized to be transferred.
